Reading Specialist certificate (2009)- Xavier University, Cincinnati, OH
State of Ohio Teaching Credential (2005)- K through 8th grade
California Multiple Subject Teaching Credential (1998)- College of Notre Dame
Bachelor's of Arts in Aquatic Biology (1995)- University of California Santa Barbara

TEACHING EXPERIENCE

British International School of Ukraine Kiev, Ukraine

8/15 – present

- Fostered a sense of curiosity and a deeper understanding of varied subjects using lines of inquiry linked to the units of inquiry as the campus readied for PYP accreditation
- Used PYP GRASPS assessment model to develop assessments along with developing stand-alone Maths and English planners that met with PYP accreditation needs
- Helped plan and implement Y6 residential trip to Scotland to improve EAL skills
- Supported and guided teachers as mentors during Y6 exhibitions along with building a dialogue with parents to ensure their understanding and support of the process

Guangzhou Nanfang International School Guangzhou, China

8/13 –6/15

- Developed and implemented lessons & tests in all core subject areas to meet the diverse academic, intellectual and social needs of all students
- Liaised with educators as appropriate in areas of curriculum planning and implemented ManageBac system for PYP reporting

- Integrated technology into the curriculum, supplementing class lectures and developing student word processing and researching skills.

Misr American College, Cairo, Egypt

8/12 – 6/13

- Enhanced student academic and social growth by using varied teaching strategies and techniques, include whole group, individual, small group and teacher modeling. Work in tandem with special education teacher to insure the needs of all students are met.
- Employed kinesthetic, visual and auditory approaches to make lessons interesting and interactive; utilized various mediums, modeling and organize student-led group projects such as literature circles.

St. Joseph Consolidated School, Hamilton, OH

8/03 – 6/12

- Acted as Science coordinator for grades 4-8 as the school transitions to a school-wide constructivist curriculum that allows more hands-on learning to be performed by the student. Oversaw and maintained inventory of newly designed school science lab.
- Trained and acted as mentor after attending necessary Archdiocese workshops. Participated as member in hiring committees when new teacher were hired.
- Supervised a school-wide Accelerated Reader program that makes essential reading practice more effective for every student by personalizing reading practice to each student's current level. Purchased books for both junior high and elementary libraries that covers all reading levels along with interest level.

CAREER DEVELOPMENT

- The Exhibition (January, 2017).
